PROLOGUE

Once upon a time there was a group of about four hundred students, teachers, administrators, and others who spent their days, and often their evenings, together in a building called Horicon High School. The doors of this building were first opened in the fall of 1964. High school students had previously attended Van Brunt Memorial School along with the elementary students. The Van Brunt building was built in 1920 after the old school burned down. The 1978-1979 Bugler was a record of what this group did from the fall of 1978 to the early spring of 1979. Before we can begin the 1979-1980 school year we have to go back and pick up where last year's book left off.

With spring came new challenges for the students of HHS. Twenty-eight boys and forty girls went out for the track team, six boys were on the tennis squad, the golf team had sixteen members, and eighteen boys played baseball. Concerts, Prom, and Tri-Arts were other events that took place in the spring.

Prom

On the evening of May twelfth, the HHS gym was transformed into a "Stairway to Heaven" for the 1979 Junior Prom. The Junior class, under the direction of Scott Bell and Ann Classen, had been working on decorations since early April. They painted white trees and pillars, made silver stars, and built two staircases of stars leading heavenward.

It was announced after the Grand March that Kurt Nietzel and Debra Smith would reign as King and Queen. Their Prince and Princess were Charles Kluge and Jodi Drozd. Music at the Prom was provided by Evergreen, and at the post-Prom disco by disc jockey John Gardner. Paul Firehammer was the lucky winner of a brand new stereo in the raffle.

Court of Honor: Gregg Braker and Kelly Lyons, Wayne Gerth and Barb Eilbes, Scott Bell and Keri Claflin, King Kurt Nietzel and Queen Debra Smith, Prince Charles Kluge and Princess Jodi Drozd, Kevin Gregg and Lisa Boelter, Brian Heintz and Corey Neuendorf, Randy Kluge and Brenda Duehning.

1-Lisa Boelter telling Kevin Gregg how to use her camera. 2-Jack Dobbratz and Dawn Robinson strolling down the hallway. 3-Pat Morgan checking Sue Nitschke's flowers for bees.

Track

The 1979 track season produced another Flyway Championship for Horicon. There were a number of individuals that had to come through with excellent performances, due to the loss of several stars from last year's team. Top performances for the 1979 season were: 100 yd. dash-Paul Firehammer 10.3; 220 yd. dash-Paul Firehammer 23.8; 440 yd. dash-Fred Firehammer 52.6; 880 yd. run-Dave Teal 2:07.8; Mile run-Dave Teal 4:55.0; Two mile run-John Snyder 11:03; Shot put-Brian Bischoff 47'5"; Discus-Brian Bischoff 168'1"; Long jump-Fred Firehammer 18'8"; High jump-Mike Young 6'0"; Pole vault-Greylan Ritchart 11'6"; 120 yd. high hurdles-Mike Young 16.8; 330 yd. low hurdles-Mike Young 42.4.

Coach Roger Meyer

1979 was a milestone for the girl's track team. The first trophy for an Invitational was won and the girls came within one point of winning the conference championship. Top performances for the 1979 season were: 100 yd. dash-Tammie Wrucke 11.7; 220 yd. dash-Tammie Wrucke 27.5; 440 yd. dash-Tammie Wrucke 67.1; 880 yd. run-Keri Claflin 2:33.0; Mile run-Dawn Robinson 6:10.3; Two mile run-Ann Classen 14:53.8; 110 yd. high hurdles-Sue Nitschke 17.4; 220 yd. low hurdles-Sue Nitschke 33.8; Discus-Mary Karsten 86'7"; Shot put-Lisa Desjarlais 32'11"; High jump-Barb Otto and Brenda Knueppel 5'0"; Long jump-Grace Wrucke 15'11".

The 1979 golf season was a rebuilding year, with several freshmen holding top positions. Letter winners were: seniors Nathan Wilke and Joel Kiesow, sophomore Mike Williams, and freshmen Bob Klatt, Todd Cook, and Mike Teal. The team will still be young next season, but with the experience gained from this season next year's team could be good if they want to be.

Coach Louis Anthoine

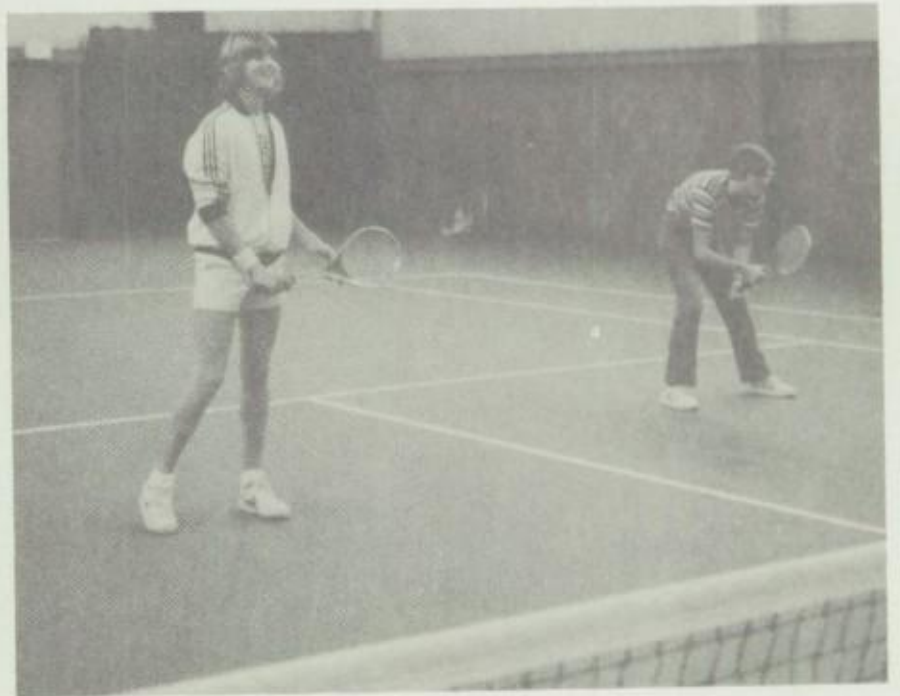

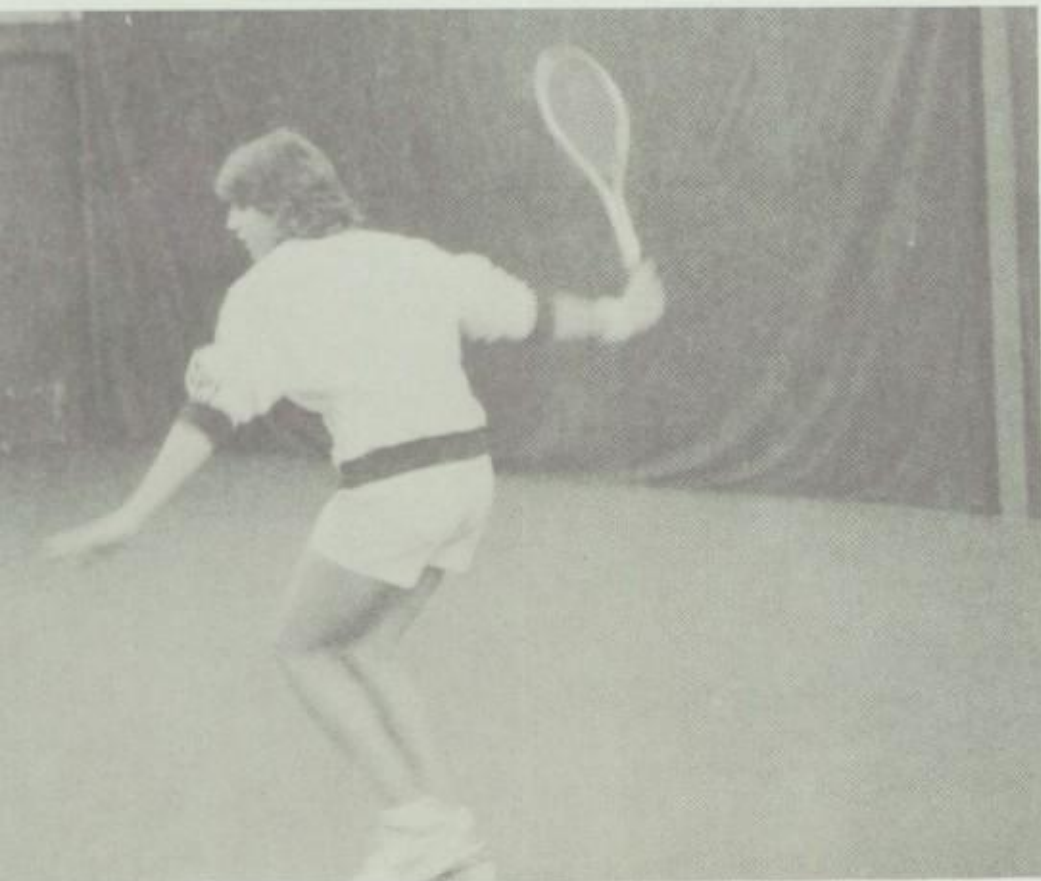

Summary

The HHS tennis team compiled a dual meet record of 5 wins and 5 losses for the 1979 season, and came in a close 3rd at the Fond du Lac Invitational. Outstanding performances came from #1 singles Darrel Schlieve and #2 singles Ross Sharkey. Their overall records were 11-1 and 9-4 respectively. The 1979 netters lost two seniors to graduation, but the underclassmen gained valuable experience and showed vast improvement.

Coach Roger Schlieve

Tennis Statistics

Darrel Schlieve	11-1
Ross Sharkey	9-4
Paul Loomans	5-5
Jerry Genzmer	3-8
Schlieve-Sharkey	8-2
Loomans-Genzmer	5-5

Baseball

The 1979 baseball team finished the season with a 4-8-1 record, 3-5-1 in the Flyway Conference. The team had a slow start under new head coach Hoverman, but came through with several good performances during the season. One of the highlights was a no-hitter thrown by freshmen Todd Spittel against Lomira. The pitching trio of Spittel, Joel Schultz, and Randy Arndt was consistent, but the team gave up many unearned runs by committing 41 errors. The teams best performance came against the Lomira Lions when the Marshmen defeated the Lions 18-0. Next year's team has good potential due to the loss of only three seniors, so the future for the Marshmen baseball teams looks bright.

Tri-Arts

On Thursday, Friday, and Saturday, May 24-26, the HHS gym was filled with all kinds of art work by Horicon students, from projects by the Shakespeare classes to ceramic pieces to drawings and paintings by elementary school students to work by industrial arts students. It was Tri-Arts Festival time once again!

Visitors were able to stroll through the gym to enjoy the art work, and then enjoy entertainment and refreshments in the cafeteria. A different performing group was featured each night.

On Thursday night, the cafe was decorated with small tables and candles as the concert band and jazz ensemble served pizza and performed their music.

Friday was "drama night", with a performance of "Who Can Fix the Dragon's Wagon?", as well as selections by Forensics contestants. The Drama Club sold ice cream and cookies and brownies.

Saturday night the choral department entertained with selections from various musicals and sold popcorn, hot dogs, and lemonade, adding a carnival atmosphere to the festival.

AT LONG LAST JUNE 5 AND THE BEGINNING OF . . .

Summer

For the students and teachers of Horicon High School, the summer of 1979 was a time to relax, and enjoy the warm weather and sunshine; to take a trip to see new parts of the country or to visit relatives; to work at A&W, the swimming pool, Goose and Gander, or a canning factory, in order to save money for college, a new stereo, or maybe just for a rainy day; to just lay around with a good book and get a suntan; to waterski on the river; or to play on a softball team.

Many students attended basketball, football, tennis, or music camps. They realized that one or two weeks of intensive study in an area would greatly improve performance in the years ahead.

The lives of the students and faculty who attend HHS, along with those of all Americans, were greatly affected during the summer by the rising price of gasoline. More people rode mopeds and

bicycles, and everyone walked more often than before.

There are many other things we will remember from the summer of '79: movies like Moonraker, The Deer Hunter, and the In-Laws, rock groups like Electric Light Orchestra, Styx, Supertramp, Pablo Cruise, and the Eagles. Television shows like Mork and Mindy, Eight is Enough, and M*A*S*H. Fashions like gym shorts, disco dresses, high heels, and straightleg jeans. We will remember going to a Brewers game, and, very often, seeing them win. We will remember Marsh Days; the rides, the parade, the drum and bugle corps.

All too soon, it seemed, summer was over, and it was time to go back to HHS for the start of a new school year.

Travelers

WE LOST ONE . . .

Chris Frei spent her 1979-80 school year in Fukui City, Japan as an out-bound Rotary exchange student. To make up for the loss of one Horicon student, however, we got two new students, both from France.

. . . AND GAINED TWO!

Anne Misson spent a year in Horicon as an AFS exchange student. She was from Lille, France, and stayed with the Gary Frei family.

Catherine Lacroix was our Rotary exchange student. She came from Bagnerre de Bigorres France and stayed with the Peter Classens, the Harold Robinsons, and the Jerry Beulows.

CHAPTER 1980

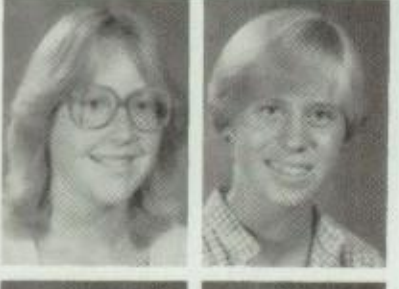

Now the story of Horicon High School's 1979-80 school year begins. The first day of school was August 27. It was a fresh new start for students and teachers. HHS was no longer on modular scheduling, but back to the traditional eight-hour day. At first everyone was a little confused, especially the freshmen. It didn't take us long to get used to the new system and get into the swing of the new school year, though. Preparations for Homecoming, sports practices, and musical rehearsals began almost right away.

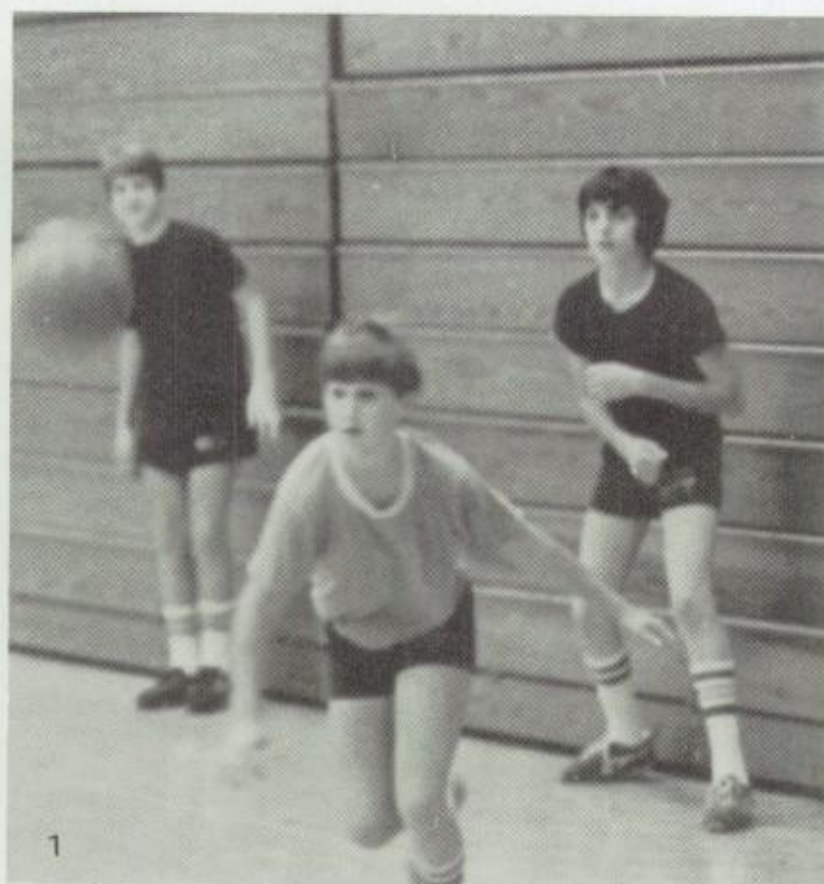

Winter was upon us before we knew it when it snowed in early November. After the performance of "Fiddler on the Roof", basketball and wrestling seasons began. Members of the forensics team began sharpening their speaking skills.

A welcome break from school's hectic schedule came at Christmas time. When classes began again in January, musicians started to get ready for the Solo and Ensemble contest, which HHS hosted. At last Graduation Day, May 29, was in sight.

It was our second year of high school and as Sophomores the class of nineteen-eighty-two was beginning to learn just what class unity means. We chose our class rings and waited anxiously for their arrival. Other major decisions included election of our class officers: President Faith Wagener and secretary-treasurer Jamie Thorn, and choosing a theme for our Homecoming float: "We'll Tame Those Cats, We're Not Lion!"

1. Study halls are a part of every sophomore's life, and Barb Hagen seems to be putting hers to good use.

SOPHOMORES

Sophomores have their own set of classes: biology, driver's education, SPUV, and U.S. History. We also have our own set of advisers: Mr. Hillery, Mr. Ritter, Mr. Tjader, Miss Leitzen, and Mr. Wallin.

Now that we are halfway through our high school years, we look back on the first half with sadness that it is over, and ahead to the next half with eager anticipation.

Sophomore Reflections

So far our second year is best,
We're looking forward to the rest.
Musical, forensics, band, and sports,
Our class holds students of all sorts.
Of driver's ed, SPUV, and biology we speak,
These classes belong to us, they are unique.
Spirit! We've got it, you know it is true,
In times of trouble, our class can pull through.

Homecoming, Winterfest, campaign for M.S.,
Our class participated one hundred percent.
With Faith and Jamie leading our class,
We know we are best, no others will pass.
Class rings were a tough decision,
Of course we chose with precision.
Our class advisors will lead us through,
Until we leave in eighty-two.

Like a pyramid, our class stands tall,
Never to budge, highest of all.
Growing, learning, all through the day,
Our lives are changing in every way.
Seniors will leave, we will move up,
We'll stand tall as Juniors, we're just as tough.

But as sophomores our goals are set,
To have the best class Horicon High has had yet.

We strive to be better, everyone tries,
These days as we know them, are the best days of our lives.

CLASS OF '81

This being our third year at HHS, we realized that we were over half-way through high school. It was hard to believe that in one more year our school days in Horicon would be over. As Juniors we were met with many challenges. Under the leadership of president Jennie Karsten, vice-president John Vogel, and secretary-treasurer Doreen Koepsell, we felt that we were ready to take on these challenges.

When the school year started, football season was in full swing. So were the preparations for Homecoming. We joined in the fun and participated in all the activities. We trailed in the spirit competition through most of Homecoming week, but then we rallied on Friday during the games. This, along with a victory in the powder puff football tournament, helped us to earn enough points to come from fourth place up to second place in the contest for the spirit stick.

THE STORY OF THE CLASS OF 1980

It seems like longer than just four years ago that we first entered the halls of HHS as freshmen. High School life was something totally new to us, and it frightened us a little. But we were eager to begin our years together as the class of 1980.

One of the first things we realized was that being in high school means doing things both as a class and as individuals. In the fall of 1976, our class elected its first officers: President Scott Bell and Secretary Dave Teal. Their job was to lead us as a group, but each member of our class had to lead himself through typing I, IPS, and world culture.

We all worked together on our homecoming float, with the theme "We'll Dump Dodgeland", and participated in other homecoming activities. Each of us, however, took part in his own favorite activities. Some of us were out for football, cross country, volleyball, golf, or tennis, others were in "The Sound of Music", or played in band, or sang in chorus.

As a class we were learning what high school was all about and getting a taste of what it had to offer. As individuals we were growing up, and as we moved into our sophomore year we were all a year older and a little bit wiser.

Our second year at HHS brought quite a few changes, and demanded that we make some important decisions. Life as a sophomore is different from life as a freshman in several ways. Now there was someone to look up to us: the new freshmen. Instead of study halls we now had open mods. Once again there were things we did as a class, and things that were up to each individual.

The first decision we had to make was electing our class officers. We picked Chris Hunt for President and Scott Bell for Treasurer. We also had to decide on our class rings. We wanted to be different, so we chose the unique "round" style.

As individuals, we each had to meet the challenge of driver's education and of getting our licenses. We also worried about passing U.S. History and biology, or about getting a part in "Hello, Dolly!" or in the all-school play "Don't Try to Hyde From Me, Dr. Jekyll". Many of us were on the forensics team or entered the solo and ensemble contest, and spent a lot of time perfecting our entries.

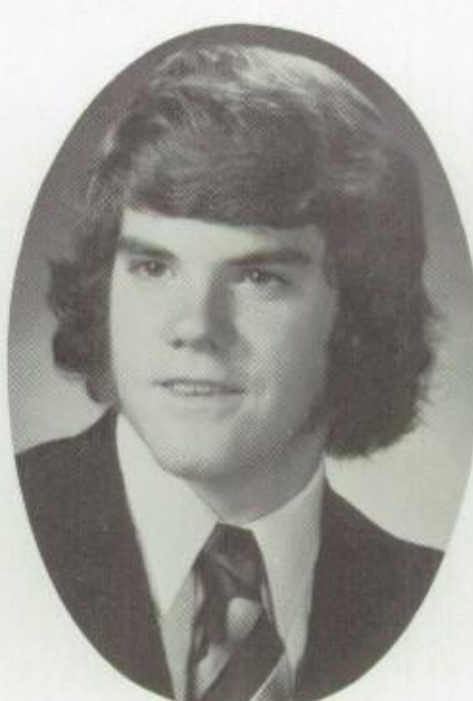

At the half-way point of our high school years, we were beginning to have the unity of a class, but each of us was finding his own place in our class and in our school.

Finally we were upperclassmen! This year our class had to muster all the unity we had in order to make our Junior Prom a success. Our class officers were President Kevin Gregg, Vice-President Kelly Lyons, Treasurer Chris Hunt and Secretary Ellen Lohr. Under their leadership we earned money through bake sales, sock hops, and other fund-raisers, making our May 12 "Stairway to Heaven" a reality.

As individuals we began to assert our independence. Many of us got jobs to earn more spending money, to buy cars, or to save up for college. Others played on varsity sports teams or participated in "South Pacific" or "Klondike Kalamity".

In contrast to other years, we were allowed to choose most of our own classes, so we didn't spend as much time doing the same things in school. Some of us concentrated on science and math, some took vocational courses, and some reinforced their background in the arts.

We were beginning to see that our class is made up of eighty unique people headed in different directions, and that soon the story of our time together would draw to a close and each of us would go his own separate way.

Our senior year was finally upon us! These are the days everyone looked forward to; when we were the oldest and most powerful class in school. As seniors we claimed certain "rights": we were last to double up on buses; first in the lunch line; and demanded respect from all underclassmen.

There were things about our senior year that set it apart from all others: being on homecoming court; going on our class trip, the last time we would all be together; turning eighteen; getting an athletic or speech statuette; and especially, doing everything for the last time, whether it be your last forensics meet, football game, musical, concert, or English class.

During our last year at HHS our class was closer than ever before. We had known each other for three years, and we finally had enough unity and spirit to win the spirit stick during homecoming week. We sponsored Horicon's second annual Winterfest February 18-22, ending with a dance on Saturday, the 23rd. We elected Karen Rasmussen as our President, Cathy Checolinski as our Vice-President, Robin Birr as our Secretary, and Randy Kluge as our Treasurer.

During our first three years of high school most of the important decisions we made were as a class.

Now, however, in our senior year, individual decisions had become more important than ever before. Suddenly it was time to decide what was going to happen after graduation. Each of us had to make his own choice. Some of us searched for the right college, others enlisted in the military, and still others applied to vocational schools.

When graduation day, May 29, finally arrived, we greeted it with mixed emotions. We realized that our days together as a class had come to an end, but that our lives as individuals were only beginning.

As we walk for the last time down the halls of HHS, we look back on the four years we spent here and remember ... Homecoming ... algebra class ... band concerts ... track meets ... class meetings ... forensics meets ... our Junior Prom ... IPS lectures ... Variety Shows ... sock hops ... football games ... club meetings ... basketball practice ... detention ... working on the Marsh Breezes ... learning to drive ... study halls ... being late for class. We remember the people we may never see again who spent these four years with us ... bus drivers ... administrators ... janitors ... teachers ... and, most important, our fellow classmates. We remember, and we're sad that we're leaving.

We are sad that our high school days are over, but we are also glad that we are going on to bigger and, maybe, better things. We look at graduation not simply as the end of high school, but as the beginning of our lives beyond high school. Some of us will become farmers, accountants, housewives, business executives, factory workers, scientists, truck drivers, lawyers, engineers, doctors, mechanics, computer programmers, nurses, pilots, or secretaries. Each of us will become something different, but in each of us there will be at least a small part of the person who was a part of the class of 1980. Our memories of our class will be but the first of the souvenirs our hearts will collect throughout the years.

ROTARY EXCHANGE STUDENT

AFS EXCHANGE STUDENT

It is the end of the school year again. But, unlike most of the past ones, I will remember this one forever, because it was an incomparable and fruitful experience.

I have learned a lot, in many fields. The greatest experience has certainly been my experience with the people, in other words, my social experience. I have lived with three wonderful and loving families. I have met many other persons that have really helped me become part of the social life, that have helped me understand some of their ideas, their way of living, their way of thinking, all the little differences that make a country, a civilization, what it is, and that a stranger usually does not see when traveling. Many people see only the landscape, and for me it is not the most important.

I want to thank you all who have helped me feel at home in your country, and all who have made this experience possible. Being an exchange student is something great, and if ever you have the opportunity to be one, take it. There is only one thing difficult about being an exchange student, or rather two; it is hard to make friends, but it is even harder to leave them.

Somewhere in my heart is a place for Horicon, for the places I have travelled to and the people I have met. And I truly hope one day we'll see each other again.

When I first arrived in Horicon, I must admit it, I thought Horicon was going to be boring. (It was so small!) But after a while, I went to school, where everything was so different and it was a lot of fun to discover all those new things, the bad as well as the good ones!

During the year a lot of kids teased me about my French pronunciation, but there is one thing I can't change, I am French!

But I met a lot of very nice people that I will never forget. Anyway how can you forget a year like that!

It's so great, sometimes I was feeling like it was a dream and sometimes too, I was thinking that one day I will have to leave this dream!

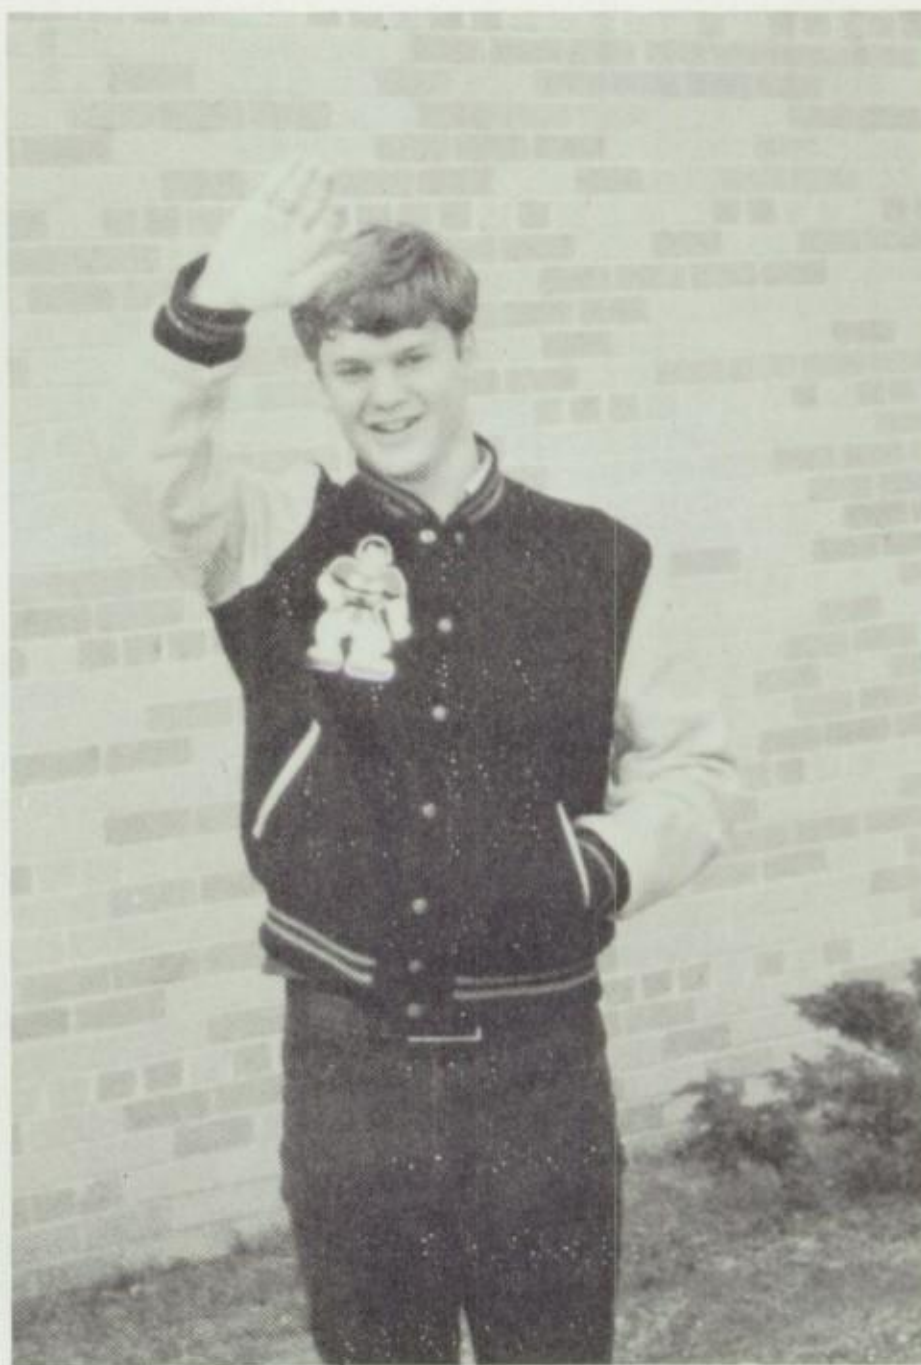

And believe me, it wasn't a nightmare! At least I'd like to thank all the people who help me during this year especially some teachers who help me with their comprehension and their sympathy, like Mr. Ritter, Mr. Tennie, Mrs. Johnston and everybody who has been kind with me.

I would like to thank the HHS, who received me this year, Mr. Kotewa and Mr. Ford, who were always ready to listen to me when I had a problem and I thank them for that.

Finally, I would like to thank my family, the Freis, they were a great family.

After all what else can I say but, "Thank you everybody for your kindness. And who knows, perhaps I'll see you later.

1979 ROTARY STUDENT

What was in my mind on January 23, 1979 as the plane sat on the runway building up power for the take-off? Twelve months stretched ahead of me, away from my family, my friends, my home. A strange land half a world away can be a very daunting prospect indeed.

Suddenly I'm due to leave Horicon in less than thirty-six hours. Americans are now, as much people to me as my fellow countrymen. I feel at home in Horicon. I hate saying goodbye to my new found families and friends, but I can't wait to see my own family again. I want so desperately to combine the two worlds. Frustratingly, it is impossible.

Horicon will always be a second home for me. I'll be back as soon as I possibly can, but sadly, that will be years ahead. I'm going to miss you all very much.

Until we meet again ...

Dave Rachman

SPECIAL SENIORS DO SPECIAL THINGS

Being a Senior is in itself something very special; it's your last year of high school, and you are getting ready to graduate. There are some seniors, however, who have done that little extra bit of work it takes to receive certain honors.

These students have been recognized for their abilities, their grades, and other "honorable" qualities. These awards did not come to them automatically, however. It took plenty of determination and effort for these "special seniors" to achieve their goals.

1. Honor Students: R1: Dawn Robinson, Ann Classen, Chris Hunt, Teresa Miller. R2: Mike Williams, Mark Pasbrig, John Snyder, Vince Marolla, Jim Frank.
2. Honor Students: R1: Sherry Patrouille, Debbie Smith, Robin Birr. R2: Gregg Braker, David Braker, Dave Teal, Ross Sharkey, Jerry Genzmer.
3. DAR Award: Ann Classen.
4. Trees For Tomorrow Representatives: R1: Teresa Miller, Robin Birr, Chris Hunt. R2: Jim Frank, Ross Sharkey, Kevin Gregg.
5. Valedictorian: Ann Classen. Salutatorian: David Braker.
6. Class Officers: Robin Birr, Secretary; Kathy Checolinski, Vice-President; Karen Rasmussen, President; Randy Kluge, Treasurer.
7. Badger State Representatives: R1: Chris Hunt, Ann Classen. R2: Gregg Braker, David Braker, Dave Teal, Mike Williams.

HOMECOMING 1979

The week of October 6-13 was a week to remember at HHS.

Activities filled the week with excitement. It looked as if the freshmen would emerge victorious after winning the class yell and float competitions. But the juniors tightened the race after winning the powder-puff football games. The Friday afternoon games, which meant a break from the usual routine of classes, were dominated by the seniors. The over-all winner for the Spirit Stick was the senior class of 1980.

Class spirit was also shown by the participation in the Days of the Week. Days this year included:

- Monday — T-shirt Day
- Tuesday — Celebrity Day
- Wednesday — Wild West Day
- Thursday — Marsh Day
- Friday — Grub Day

Our victory over Lomira High School Friday night, 22-0, boosted the enthusiasm even more and set the stage for the annual dance Saturday night. There was a slight mix-up concerning the band for the dance. Everyone thought the band was Cactus, as the sign and posters read. It turned out that the band wasn't Cactus at all, but, Gold Nugget. Nobody seemed to mind as the Royal Court was announced. King Randy Kluge and Queen Mary Karsten who had reigned over the entire Homecoming festivities along with; Joel Schultz and Karen Heller, Scott Bell and Kelly Lyons, and John Snyder and Candi Finck made up the other couples of the Royal Court. The dance topped off another successful Homecoming. The credit this year again goes to the Student Council.

FIDDLER ON THE ROOF

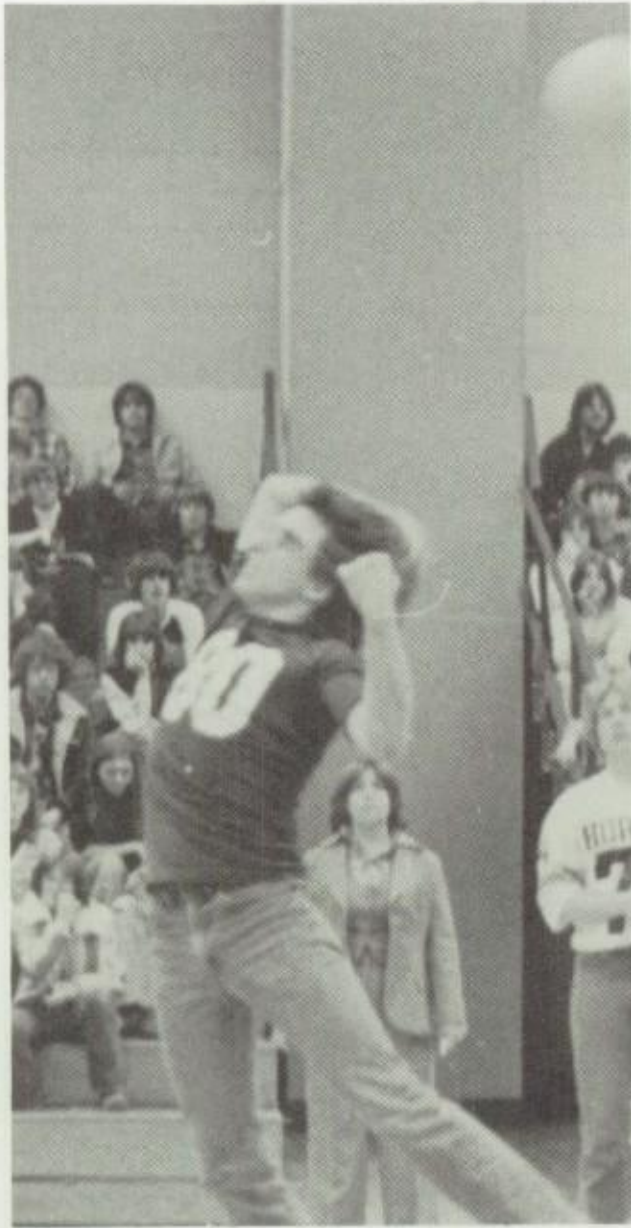

November 9, 10, and 11, were the dates, the HHS gym the place, and the occasion, the annual all school musical. This year, under the direction of Mr. Ritter and Miss Leitzen, the students presented "Fiddler on the Roof." The atmosphere created by the stage, lighting, and sound crews helped create the mood of the Jewish village of Anatevka near the turn of the century.

Kevin Gregg superbly portrayed Tevye, a poor dairyman with five daughters. Anne Aumann was cast as his wife Golde, who tried to raise her daughters according to custom. Tevye's daughters were Lynn Hargrave as Tzeitel, Ann Classen as Hodel, Sue Nitschke as Chava, Martha Classen as Shprintze, and Sue Loomans as Bielke. Other supporting roles included Keith Resop as Motel the tailor, Scott Bell as Lazar Wolfe, and Dave Teal as Perchik.

Old favorites such as "Matchmaker," sung by the three oldest daughters; "Sabbath Prayer," sung by Tevye's family; and "Sunrise Sunset," sung by Golde and Tevye will play on in the hearts of all who heard them. Other spirited songs such as "If I Were a Rich Man," sung by Tevye; and "To Life," sung by the male cast added a jovial note to the production.

"Fiddler on the Roof" was acclaimed by many to be the best musical HHS has ever presented.

Court: Scott Behnke and Debbie Schwandt, Joel Schultz and Karen Heller, Tom Gensch and Kelly Gritt, Jerry Genzmer and Betsy Scharpf, Mark Pasbrig and Dawn Erdman, Jamie Thorpe and Randy Arndt, Brian Heintz and Corey Neuendorf, Kevin Gregg and Jennifer Lien.

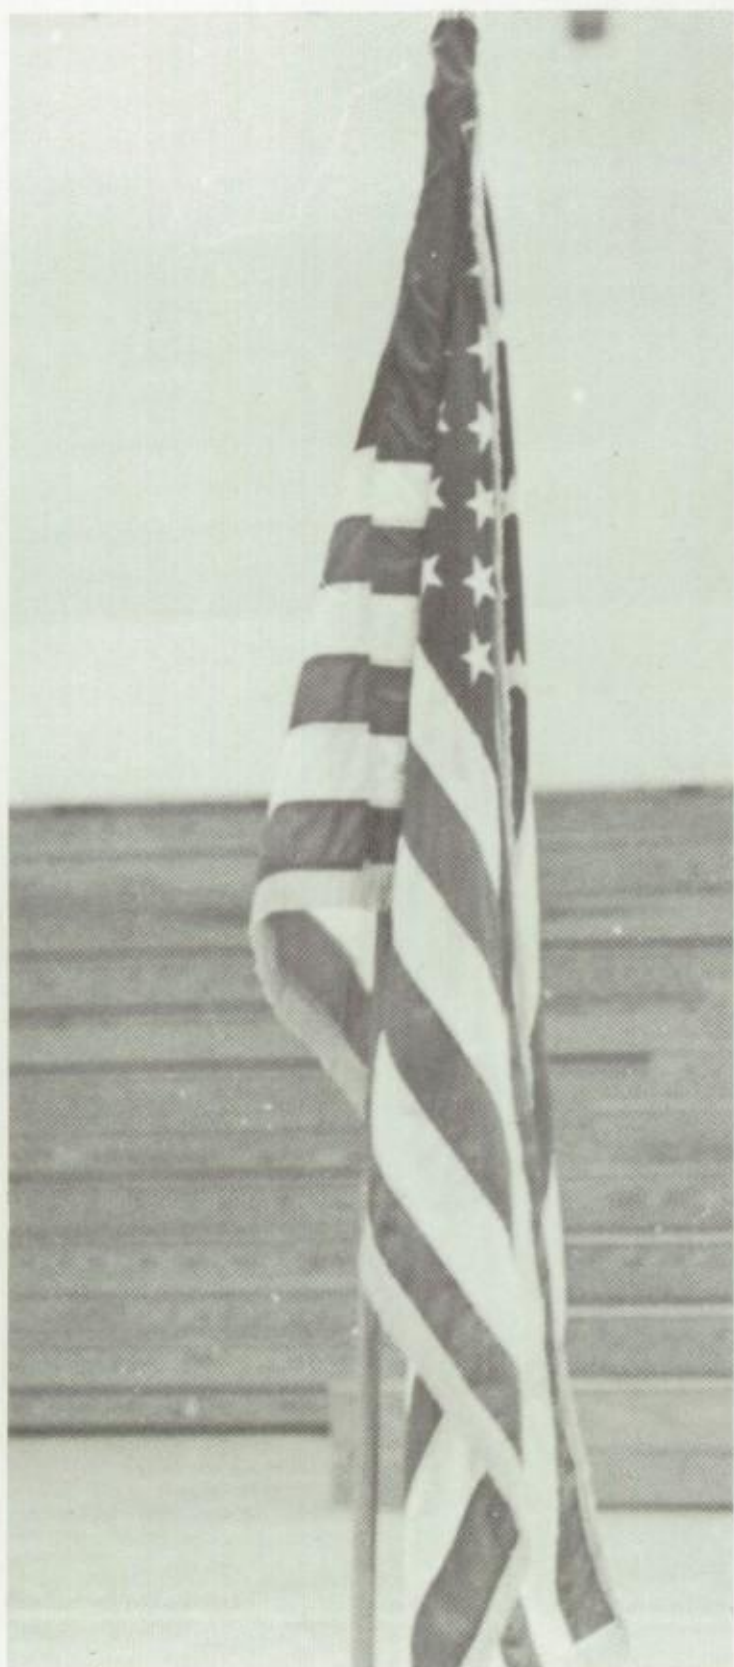

WINTERFEST 1980

While the 1980 Winter Olympic Games were going on in Lake Placid, New York, HHS was holding its own kind of games. The week of February 18-23 was set aside for Winterfest 1980. Each day of the week was designated a special day, such as Security Day and Monster and Freak Day. On Friday afternoon, all students assembled in the gym for the afternoon games. Some were the blind obstacle course, lifesaver toothpick pass, and a freethrow contest. However, the most important game was the class volleyball game. The championship game pit the juniors against the seniors. The game ended with an exciting one point victory by the seniors as time ran out.

The dance was held Saturday night in the gym with music provided by The Syndrome. King Mark Pasbrig and Queen Dawn Erdman reigned over the festivities. After the grand march it was announced that the seniors would be awarded the Winterfest Snowman, for the most points.

On Sunday, November 4, 1979 a group of Americans in Teheran, Iran were taken captive, and held in the U.S. Embassy there. This was to be the start of a long and horrible ordeal.

On Tuesday, December 18, 1979, a day set aside by the President to display national unity, the students, teachers, and administrators of Horicon High School, joined together to show their patriotism and support for this great country, and all that it stands for.

The beliefs held by the students of Horicon High are those of loyalty and honor, and this was displayed at our Unity Day Assembly.

LOVE SONGS

On Monday February 11, 1980, the choirs of HHS presented a Valentine's Day Concert. This was a unique event because it was the first concert of its kind. All choirs performed songs having to do with hearts and love.

SEND A FLOWER

The Student Council of Horicon High School was engaged in many projects this year. One of these projects was a Valentine's Day Carnation sale. Any student or teacher could send their valentine a red, pink, or white carnation. This was the first year this has ever been done, however, the Student Council plans to make this an on going tradition.

BASKETBALL?

Yes, basketball! It may seem odd to see the Green Bay Packers playing basketball. But, that is just what they did on February 16, 1980 in Horicon, Wisconsin.

A group of the Packers traveled to Horicon to play the local Jaycees in a benefit basketball game. The Band Boosters organized the game, and it turned out to be a big success.

SOLO AND ENSEMBLE

This year's District Solo and Ensemble contest was held right here at HHS. Many chorus and band students participated, performing as soloists or in duets, trios, quartets, even in large groups such as Madrigals and brass choir.

Vocal contestants: R1: Faith Wagener, Beth Pufahl, Ingrid Stradins. R2: Carrie Heller, Sandy Braun, Pam Kleiss, Keith Resop, Kevin Baerwald. R3: Lisa Pufahl, Brenda Ewert, Sue Nitschke, Martha Classen, David Geitzel. R4: Margie Faust, Linda Ewert, Debbie Shepard, Trudy Miller, Mike Teal, TJ Erdman. R5: Lynn Belisle, Dave Teal, Ellen Raue, Jeff Resop.

Instrumental contestants: R1: Jackie Pionkowski, Alanna Halfmann, Jamie Thorn, Faith Wagener, Deleen Kohl, Pat Checolinski, Kathy Stensaas, Therese Marolla. R2: Gail Dutzel, Sandy Braun, Chris Jenswold, Dawn Robinson, Pam Kleiss, Faye Cook, Sue Loper, Dilana Butler. R5: Dave Teal, Ellen Raue, Rhonda Hunnicutt, Janine Frei, Dabbie Shepard, Leigh Mertig, Gary Culver. R6: Mary Karsten, Lynn Belisle, Annette Desjairlais, Jon Gregg, Laura Kuhlman, Marni McCallum.

FORENSICS

The team represented HHS at several meets, including Conference, where they won first place and a trophy.

R1: Michelle Buszka, Jon Gregg, Pam Kleiss, Brad Roggenbauer, Cindy Neitzel, Bob Koerner. R2: Sue Loomans, Doreen Koepsell, Tina Eberle, Ann Classen, Anne Aumann, Mary Polenska, Ellen Raue, Lisa Schwartz, Sharon Schmidt, Sue Nitschke, Lynn Hargrave, Peter Frank, Gregg Braker, Laura Kuhlman, Marni McCallum, Doreen Patrouille. R3: Todd Thorn, Mike Williams, Grant Stousland, Gordon Schwartz, Scott Bell, Lucas Piper.

The 1979 Varsity Football season saw some very excellent football played by a very scrappy Marshmen team. The opponents were heard to say that they had never been hit as hard before. The team finished with a 6-3 overall record, 5-2 in the Flyway Conference, which was good for third place behind co-champs Markesan and Campbellsport. The leadership and football talent of this year's team was largely due to a fine group of seniors: Mike Thompson, Scott Oestreich, Dave Teal, Joel Schultz, Randy Kluge, Gregg Braker, DeWayne Plautz, Todd Thorn, Scott Bell, Mark Pasbrig, and Kevin Gregg. The seniors will be very hard to replace next year.

The team does not compete in conference competition yet but hopes to in the near future. Without the conference, the girls must compete against much larger schools. Next year the girls will compete in their first scheduled Invitational Meet. As a team we are looking forward to this meet and hope to prove successful for our school. This year Regionals were eliminated so the girls went straight to Sectionals, where they placed tenth. Ellen Lohr was Horicon's medalist and was voted the most valuable player of the year award by her teammates.

The Harriers of Horicon High School ran to a third place finish in the Flyway Conference this season. What we lacked in the number of people out for the sport we made up for in consistency and determination. The Seniors did an excellent job providing the leadership, especially Captain Doug Braun. John Snyder came through with consistent performances at each meet and was voted most improved by his teammates. The Harriers future looks bright with next year's Captain, Dirk Hildebrandt, returning as the only person to receive a ribbon this past season. Freshmen Mike Baker received the Most Valuable award. Mike is one of the most dedicated runners we have on the team. Although my aspirations for each season is to be at the top, I am extremely proud of the performance of the individuals who participated on the 1979 Cross Country team. Congratulations for a job well done.

The team displayed good hustle, desire and a never give up attitude many times during the season. This was exemplified late in the season when they were able to come back after being down by nineteen points at half-time to win the game.

Their inability to put it all together hurt the 1979-80 edition of the Marshmen basketball team. Lack of height, inconsistent shooting, and the experience and power of opposing teams proved too much for the Marshmen.

A tough team schedule had the girl's basketball team hustling for their victories during the 1979-80 season. The Marshmen Varsity ended up with a 5-13 overall record, and a 3-11 conference record. This record put Horicon in fifth place in the Flyway Conference. Only two seniors, Mary Karsten and Keri Claflin headed the Marshman roster. Good rebounding and team effort were the keys to their victories. Horicon was proud to have Mary Karsten voted an All-Conference forward, and Sharon Schmidt given honorable mention.

With experience behind them, the Marshmen are looking forward to a successful 1980-81 season.

A lack of numbers on the wrestling team was definitely a reason for the relatively poor showing by the team this year. Because we had a small team, we were giving up four and five matches every meet because of forfeits. Our team was composed largely of underclassmen this year, and was definitely a rebuilding year. A junior high and grade school wrestling program would help our future teams. We are in the process of developing a program now.

CHEERLEADERS AND STATS

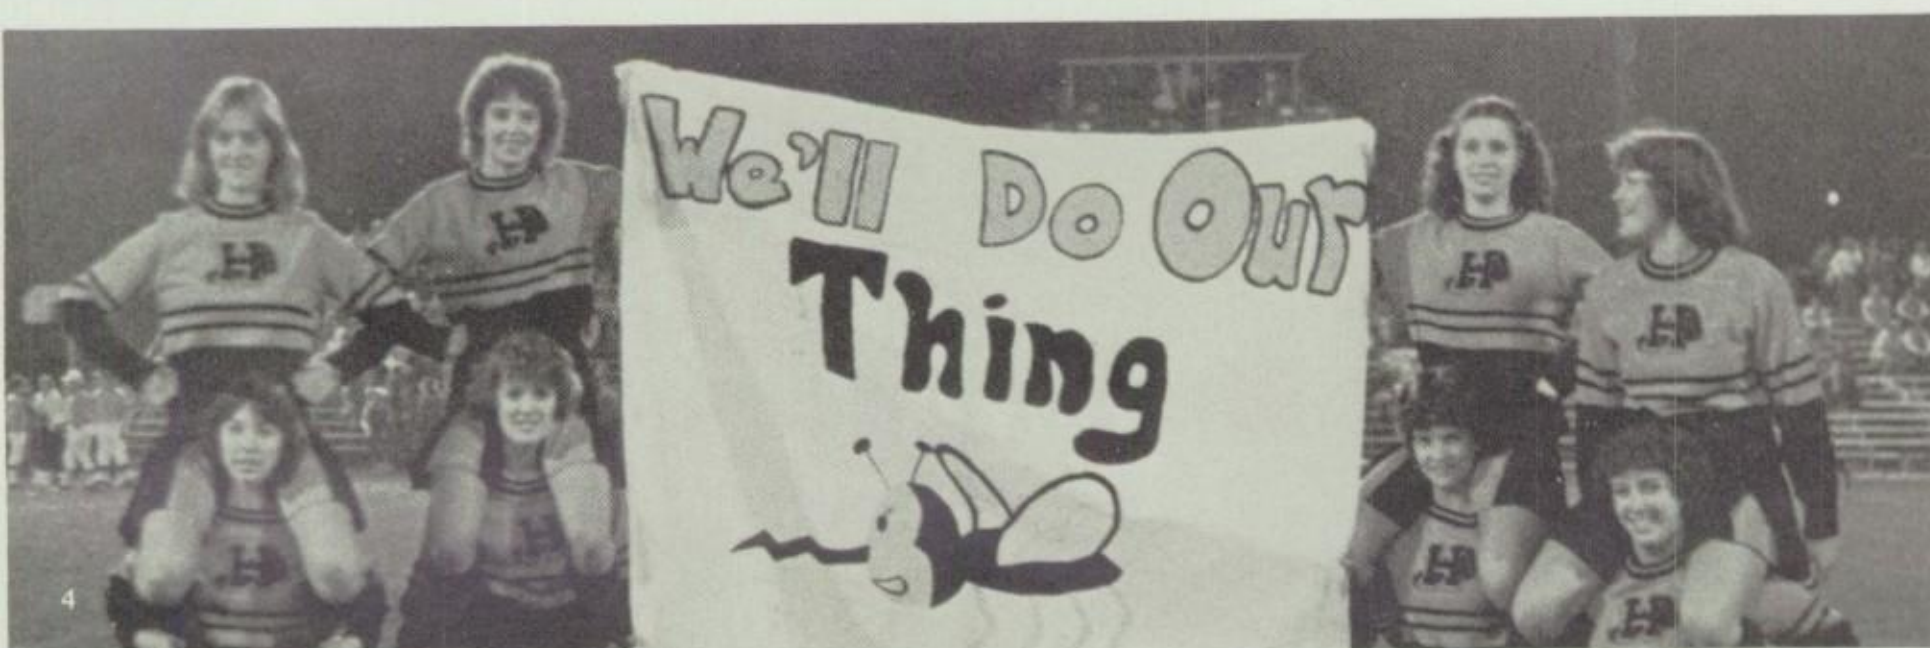

Cheering our sports teams on to victory was a full-time job. HHS cheerleaders in gym clothes were a familiar sight as they practiced their cheers in the halls during the fall and winter sports seasons. They also were familiar in their uniforms at games as they supported our teams in victory as well as in defeat. They added pep, spirit, and usually a smile to athletics in Horicon.

Statisticians also proved their worth as they kept track of points, baskets, fouls, tackles, and touchdowns for both individuals and teams. While the rest of us just sat back and enjoyed the game, these dedicated fans had to be sure they were writing down all the action.

The Marsh Breezes staff was made up of Mrs. Johnston's journalism students. They learned how a newspaper works by the best method possible: experience. Their weekly paper contained editorials, articles, poetry, even cartoons. For the students of HHS, one of the highlights of the week was paying a dime during lunch hour on Friday in order to be able to read about was happening in their own school.

MAKE MINE MUSIC! BAND —

Under the direction of Hugh Cain, the HHS bands provided entertainment throughout the year.

In the fall, the Marching Band performed half-time shows at all of the home football games.

The Pep Band provided "fire-up" music throughout the basketball season, for both boys and girls games.

The Concert Band presented a Christmas Concert and Pops Concert. The Jazz Band also performed at the Whitewater Jazz Festival in addition to playing school concerts, and other local functions.

One of the highlights of this year was the second annual Flyway Conference Honors Band Clinic. This year the day long clinic was held at Markesan High School, where sixteen band members from HHS participated.

Horicon High also hosted the District Solo-Ensemble Contest this year.

CHOIR —

This year, Horicon High had three vocal groups. The Madrigals consisted of eleven Junior and Senior voices. The Madrigals, in addition to their school concerts, performed for many other functions throughout the year. The Madrigals also performed in the Solo-Ensemble competition in the Spring.

The A Capella Choir, and Girl's Glee Choir performed at the Christmas Concert, Mid-Winter Concert, and Spring Concert.

On January 26, at Markesan High School, the Flyway Conference Honors Choir, consisting of the best voices in the Flyway, met to participate in a day long clinic, and present a concert at night.

1979-80 HHS FACULTY

MR. MAYO
SUPERINTENDENT
As Superintendent of the Horicon School District, Mr. Mayo's duties include carrying out the instructions of the school board at all schools in its jurisdiction.

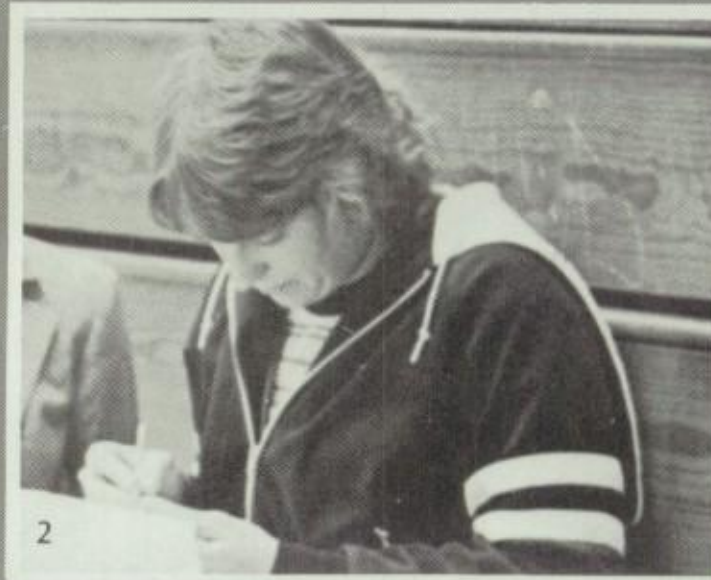

No account of the school year would be complete without acknowledging the administrators and teachers who chose to spend their time giving students an education. We were lucky enough to have a dedicated and hardworking faculty, and we would especially like to point out the extra after-school hours so many of them contributed to HHS.

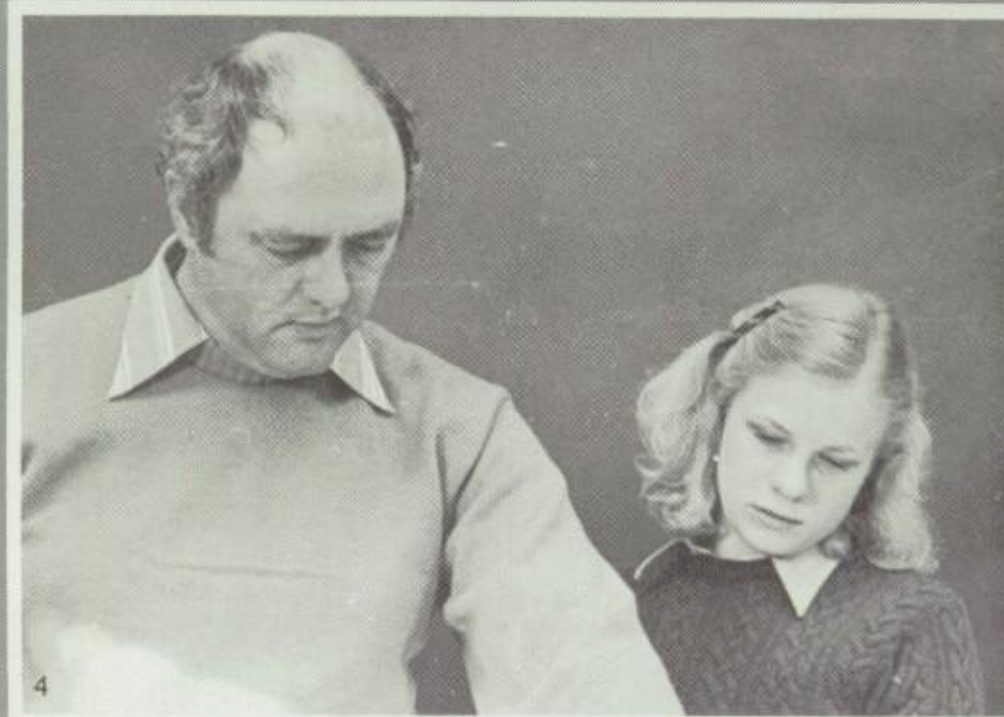

MR. KOTewa
PRINCIPAL
Mr. Kotewa's job is to ensure that everything at HHS runs smoothly. He spends many hours talking to students, teachers, parents, and school board members, keeping all the school's activities coordinated.

2

4

5

MR. BEHNKE
ASST. PRINCIPAL
In addition to his duties as assistant principal, which include the job of assigning students to detention, Mr. Behnke has direct contact with every student because he teaches Political Science, a required course.

MR. FORD
GUIDANCE
Mr. Ford probably has more individual contact with students than any other faculty member. He gives each of them advice and information on careers, as well as on colleges, vocational schools, and the armed forces.

**MRS. ADAMS
ENGLISH**

The courses Mrs. Adams teaches include English Survey, SPUV, Midwest Literature, and Shakespeare. She also spends time organizing and chaperoning theatre trips.

**MR. ANTHOINE
SOCIAL STUDIES**

Some of the courses Mr. Anthoine teaches are: US History, Consumer Issues, Wars, and Driver's Education. He also instructs beginning drivers "behind the wheel", and coaches freshman football.

1. Mr. Piper lets the photographer know what he thinks of having his picture taken.
2. Mrs. Marohl hard at work.
3. Mr. Ford giving directions.
4. Mr. Anthoine helping Linda Koch.
5. Mr. Ritter in art class.
6. Mrs. Johnston reads poetry to her class.

**MR. BJORK
MATHEMATICS**

As a math teacher, Mr. Bjork often gives students needed outside help. He teaches Algebra I, Consumer Math, and Introduction to College Math.

**MR. CAIN
INSTRUMENTAL
MUSIC**

As band director, Mr. Cain puts in many hours outside of school working with the marching band or jazz ensembles at evening rehearsals, giving concerts, and performing with the pep band at athletic events.

**MR. HEREID
BUSINESS
EDUCATION**

Mr. Hereid teaches Bookkeeping I and II, Office Practice, Clerical Office Practices, and Recordkeeping. He also devotes much of his time to the Student Council as their advisor.

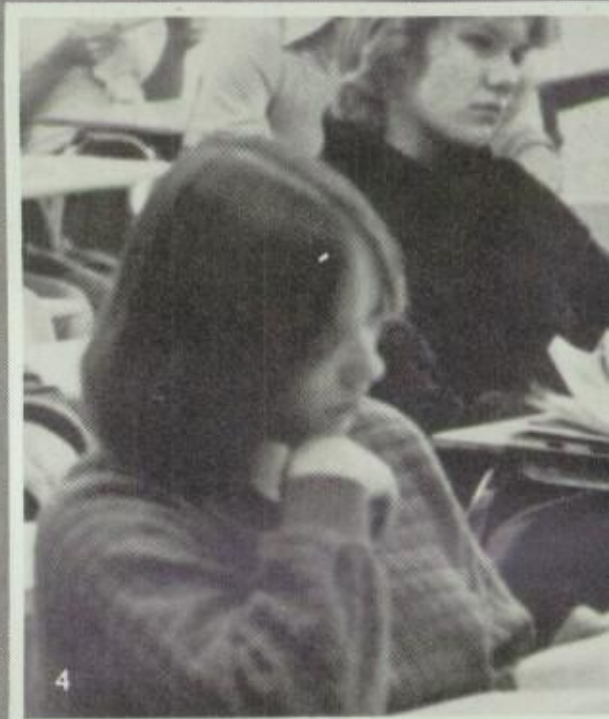

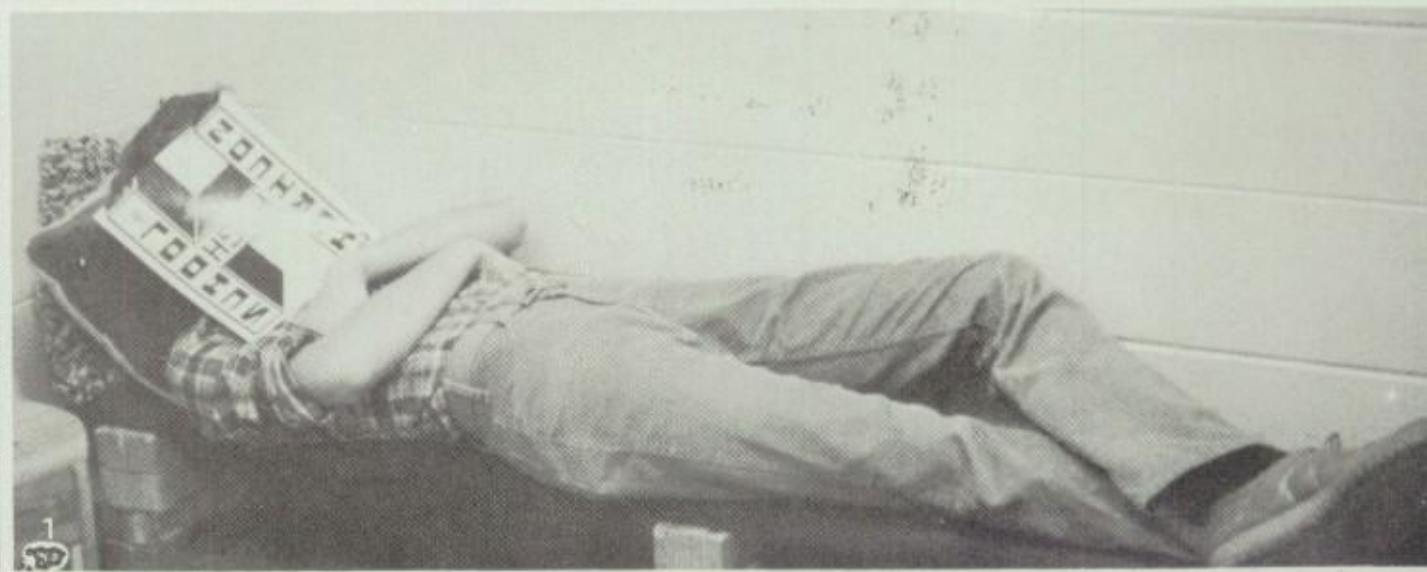

MR. HESPRICH
AGRICULTURE
As Horicon High School's only agriculture teacher, Mr. Hesprich teaches Agriculture I-IV and Veterinary and Horse Science. He also is advisor for the FFA.

MR. HILLERY
SCIENCE
Mr. Hillery teaches IPS, Chemistry, and Math 9. He contributes much of his out-of-school time to coaching the Varsity basketball team and as assistant Varsity football coach.

MRS. JOHNSTON
ENGLISH
Included in the courses Mrs. Johnston teaches are English Survey, Drama, Speech, and Journalism. She also contributes much of her time in the spring to students as head forensics coach.

MR. KAUL
INDUSTRIAL
EDUCATION
Included in the courses taught by Mr. Kaul are: Introduction to Industrial Ed., Arch. and Tech. Drafting, Electricity, Building Trades, Woodworking Processes.

MISS KESSENICH
ENGLISH
The courses Miss Kessenich teaches include England's Writers and World Literature. She spends extra time as advisor to the Drama Club, Forensics coach, and director of the All-School Play and the One-Act Play.

**MR. KIND
INDUSTRIAL
EDUCATION**

Included in the courses which are taught by Mr. Kind are: Welding 1, General Metals, Metal Fabrication, and Small Engines.

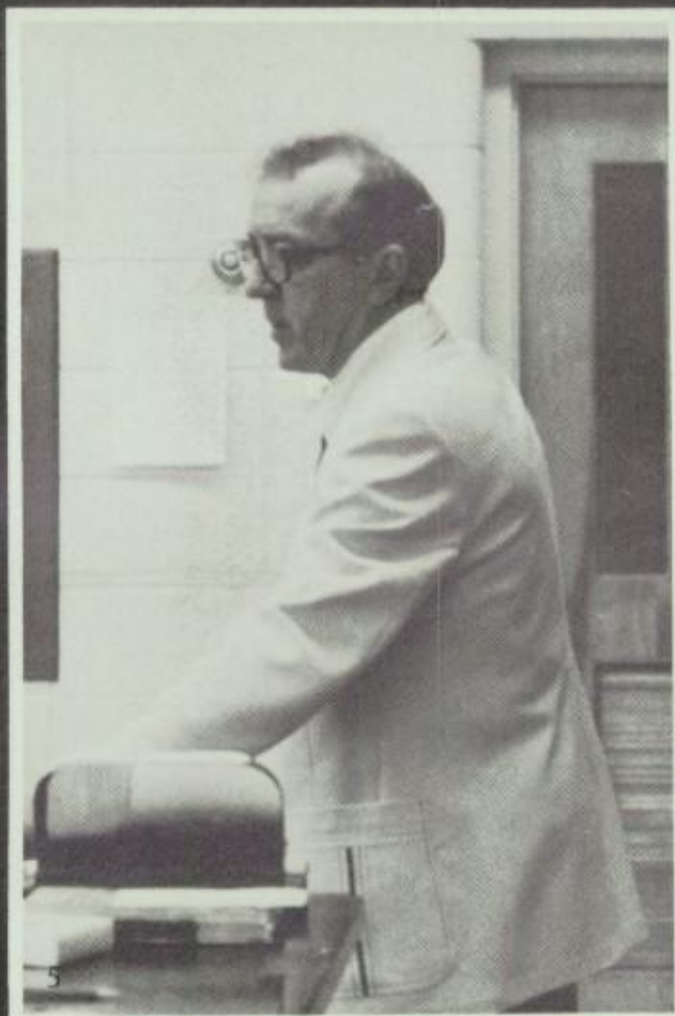

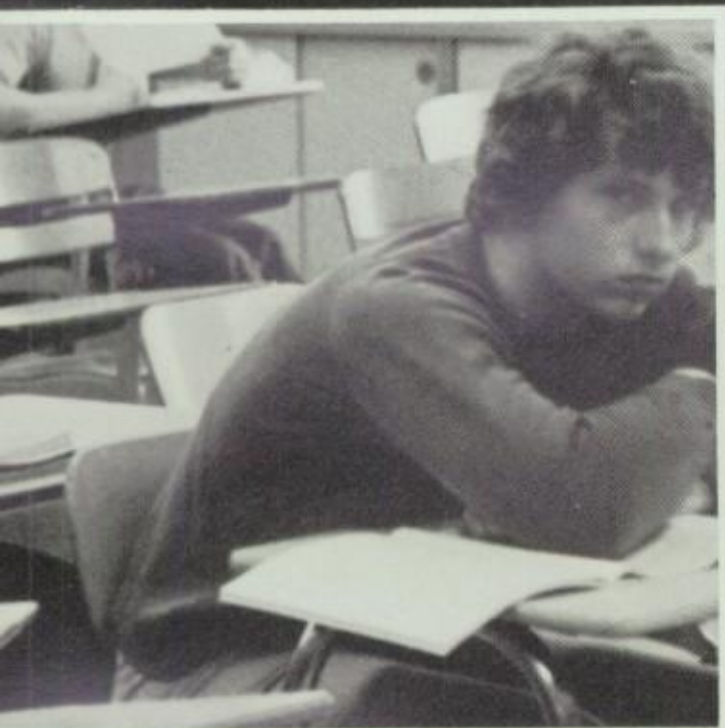

**MISS LEITZEN
VOCAL MUSIC**

As a director of A Capella Choir, Girls' Glee Club, Madrigals, and After School Chorus, Miss Leitzen spends much of her free time organizing concerts, performing or holding extra rehearsals.

1. Dirk Hildebrandt working hard in the chorus room.
2. Mr. Hereid and Mrs. Porubcan in conference.
3. Mr. Cain holding the band's attention.
4. Kim Firehammer and Jim Wald reading in class.
5. Mr. Wallin lecturing to an IPS class.

**MR. MCDONALD
ENGLISH**

Mr. McDonald teaches English Survey, Media and Short Story, and Modern Stage.

**MRS. MAROHL
PHYSICAL
EDUCATION**

Because Mrs. Marohl is a phy. ed. teacher, she naturally knows much about sports, so she spends much of her free time coaching the girls' tennis and basketball teams.

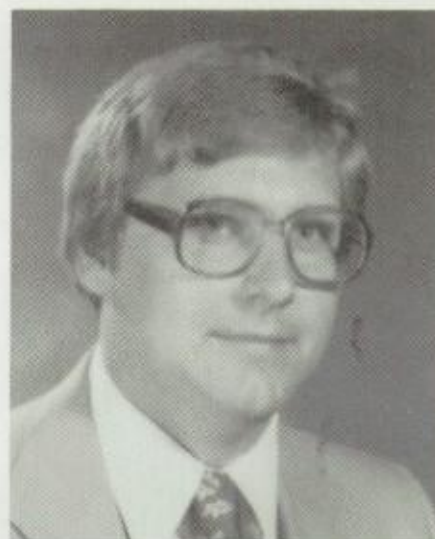

**MR. MEYER
PHYSICAL
EDUCATION**

In addition to teaching boys' phy. ed. and Life Sports, Mr. Meyer coaches the Varsity football team and the track teams, as well as fulfilling the duties of athletic director.

MR. MULHOLLAND
SPANISH
Teaching a foreign language requires a lot of individual attention to insure that the student develops oral ability, so Mr. Mulholland spends much of his time speaking Spanish with his students in and out of classes.

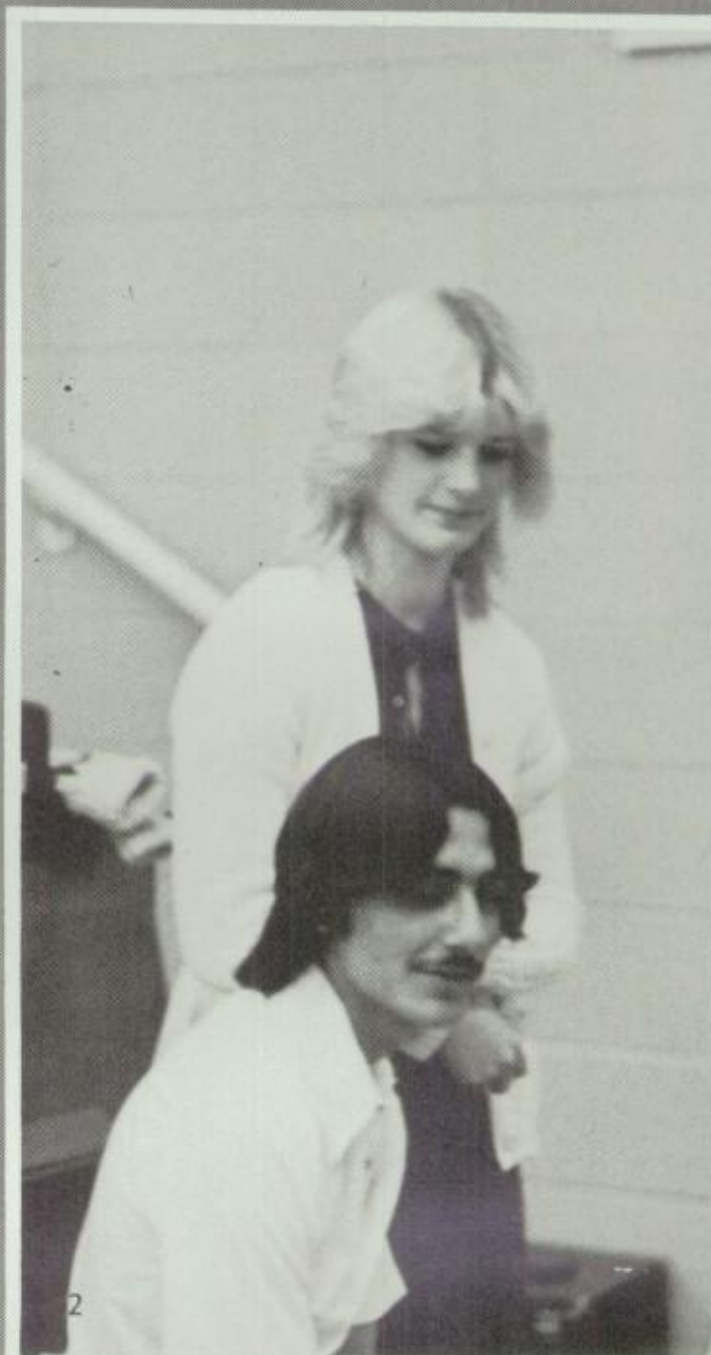

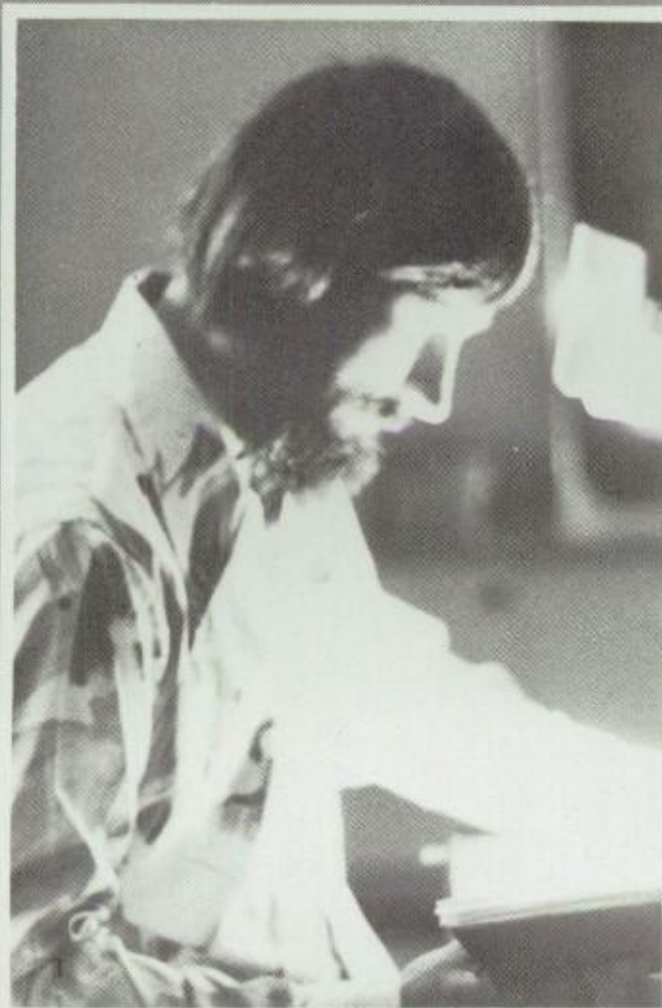

MR. NIEMUTH
SOCIAL STUDIES
In addition to teaching Health, Contemporary Issues, and Driver Education, Mr. Niemuth coaches the boys' Junior Varsity football and basketball teams.

MRS. PHILLIPS
HOME ECONOMICS
The classes which Mrs. Phillips teaches are: Family Life, Interior Design, and Clothing and Design.

1. Mr. Bjork often uses an overhead projector in class.
2. Mike Garcia and Sheryl Strassman goofing off in the band room
3. Brenda Samplawski working with the offset machine.
4. One of Mrs. Phillips' Home Economics classes.
5. Mr. Kind helping a student with a project.

MR. PIPER
SOCIAL STUDIES
The courses Mr. Piper teaches include Sociology, Social Studies 9, and Comparative Religion. He is also an advisor to the Junior class.

MRS. PORUBCAN
BUSINESS DEPT.
Mrs. Porubcan teaches classes in the Business Ed. Dept. Her classes include Typing I and II, and Shorthand I and II.

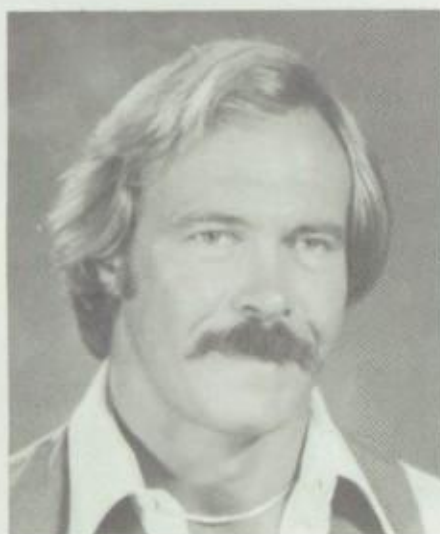

MR. RITTER
ART
 Some of the courses Mr. Ritter teaches are: Ceramics, Drawing and Painting, and Introduction to Art. He also directs the musical, coaches forensic students, and is advisor for the yearbook and for prom.

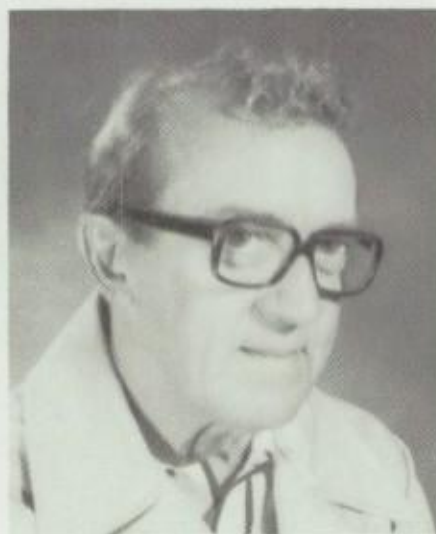

MRS. SULLIVAN
LIBRARIAN
 Mrs. Sullivan was our new librarian this year. She has to worry about making the library a good, quiet place to work, as well as checking out books, helping with research, and keeping track of overdue books.

MR. TENNIE
MATHEMATICS
 Mr. Tennie was new to HHS in 1979. The classes he teaches include Geometry, and Advanced Geometry, and Advanced Algebra. He also coaches the boys' cross country team.

MR. TJADER
SCIENCE
 Every student takes Mr. Tjader's Biology course during his sophomore year. He also teaches Advanced Biology and Ecology, and is a sophomore advisor.

MR. WALLIN
SCIENCE
 The courses Mr. Wallin teach include; IPS, Physics, and ISIS. He is also a sophomore class advisor.

THE HELPING HANDS OF H.H.S.

Just a few of the jobs of the custodians of Horicon High include, keeping halls and windows clean, and keeping the school cool in the spring and fall, and warm in the winter. These people have a big job to do and they do it very well.

We, the students of HHS, are very grateful, and appreciate their work very much. **Janitors:** Mr. Holbach, Mr. Franke, Mr. Patten, Mrs. Matson.

The HHS cafeteria became a new place this year, with flowers on tables, and decorations for each season. The cooks made some very interesting meals during Homecoming Week, like Touchdown Turkey Sandwiches and Quarterback Hamburgers.

A great new addition to the lunch program this year was the malt machine.

We say "so long" to HHS, but
never goodbye.
We say "so long" to teachers and
friends,
to classrooms and hallways.
We say "so long" to good times
and bad,
to successes and failures,
to tears and laughter.
We say "so long" to four years
that are
gone forever.
We say "so long" to a treasury of
memories.
We say "so long", but never
goodbye.

We, the staff of the 1979-80 Bugler, would like to extend a sincere "thank you" to everyone who made it possible for us to produce this book. A special thanks goes to all patrons and advertisers, without whom we would not be able to finance this project, and to everyone who bought an annual, without whom there would be no reason to publish a Bugler next year. The last and biggest "thank you", however can only go to you, the students, faculty, and administrators of HHS. You gave us something to write about!

GRAND ADVANCE

"Fiddler On The Roof", "The Fog", "When A Stranger Calls", "1941", "Apocalypes Now", "Deer Hunter", "Coming Home", "The Jerk", "The Rose", "Electric Horseman", "Kramer vs. Kramer", "China Syndrome", "Justice For All", "Amityville Horror", "The Muppet Movie", "Starting Over", "Halloween", "Star Trek", "Animal House", "10", "Main Event",

Have you ever gone to a movie lately? The prices are unbelievable? You can pay anywhere from \$3.50 to \$5 for just one movie. Inflation surely has taken its toll on the pocketbooks of American teenagers. It doesn't seem like too many kids are suffering because these movies became popular within a few weeks: "Halloween", "Star Trek", "Animal House", "10", "Main Event",

If you thought that there were a lot of movies on the other page, you've got another thing coming! Here are some more "Fabulous Flicks": "Grease", "The End", "Breaking Away", "Annie Hall", "Goodbye Girl", "The American Gigolo", "King Kong", "Jaws II", "Rocky II", "Close Encounters of the Third

Kind", "All That Jazz", "Star Wars", "Wanda Nevada", "Just You and Me Kid", "Oh God", and last but not least, "American Graffiti". Prices certainly are going up. All you have to do is look at the gasoline pumps! The price went from a "mere" 80¢ a gallon to \$1.10 Who knows where it will stop?

Do you ever catch yourself humming a popular song without even thinking about it? It seems to be an affliction of many HHS teenagers, along with the rest of the world. Here is what makes the whole world sing: "Longer", "Give It all You've Got", "On the Radio", "Bad Girls", "No More Tears", "You Don't Bring Me Flowers", "Main Event", "Do It To Me One More Time", "Ships",

"Lonesome Losers", "Babe", "My Sharona", "Everlasting Love", "The Devil Went Down To Georgia", "Shine A Little Love", "Don't Bring Me Down", "Good Girls Don't", "Daydream Believer", "Rainbow Connection", "Lady", "Coward Of The County", "Do Ya' Think I'm Sexy?"

TO BE CONTINUED

This book is but one chapter in the continuous story of HHS. We have attempted to tell you the story of the 1979-80 school year. Our part of the story ends here, but next year another chapter will be told by Lynn Hargrave and Lisa Schwartz, this year's Junior Editors. Their job is just beginning. And so we hope, is the story of Horicon High school
